LA RÉPUBLIQUE AU DÉFI DE LA FRATERNITÉ

Dans un contexte de crise économique et de menaces, la société semble sujette à la tentation du repli sur elle-même plutôt qu'au développement de communs. Pourtant, face à cette inclination, les élans de solidarité et de fraternité sont tout aussi foisonnants...

Fraternité, pilier de la République : quelle réalité, quelle dimension, quelle épaisseur aujourd'hui ?

"La démocratie proclame la liberté, réclame l'égalité et réconcilie ces deux soeurs ennemies en leur rappelant qu'elles sont soeurs, en mettant au-dessus de tout la fraternité" Bergson
