Edition 2019 ^[1]

CITOYENNETÉ !

Pour cette 4e édition, les Entretiens ont abordé le thème de la Citoyenneté. Qu'on l'envisage comme valeur ou comme statut, elle fait l'objet d'une remise en question de la part du citoyen lui-même.

Que signifie être citoyen aujourd'hui ?

Comment peut-on accompagner les mutations en cours et dynamiser l'exercice de la citoyenneté ?

Quel est le rôle des institutions publiques en la matière ?

"La démocratie repose sur la confiance des les individus citoyens décidant ensemble de leur avenir commun, à partir de valeurs partagées"

[Simone Veil]
